Date; **19.04.2024**

The Ski Federation of Kosovo has the status of a legal entity, is registered as a non-governmental organization with the MAP, and cooperates directly with the public authorities of the Republic of Kosovo, specifically with the Department of Sports at the Ministry of Culture, Youth, and Sports, for the realization and achievement of creating conditions for the development of skiing throughout the territory of the Republic of Kosovo. Based on this status, the Ski Federation of Kosovo announces the following:

PUBLIC CALL FOR APPLICATION OF FOUR INTERNATIONAL EXPERTS FOR PREPARATION OF FEASIBILITY STUDY AT THE SKI CENTER IN BREZOVICA.

The Ski Federation of Kosovo announces this public call for international experts, knowledgeable in the field of skiing, as well as with proven experience in preparing feasibility studies for the ski center in Brezovica.

The experts to be engaged will have the following tasks and responsibilities:

1. Description of the existing condition of the development area - Brezovica:
 - 1.1. Description of the existing situation (natural characteristics, access roads, external arrangement, existing cable car infrastructure, surrounding communities, accommodation infrastructure, etc.)
 - 1.2. Climatic conditions;
 - 1.3. Human safety aspect;
 - 1.4. Environmental protection aspect.
2. Assessment of development and feasibility possibilities:
 - 2.1. Necessary infrastructure;
 - 2.2. Ski slope layout;
 - 2.3. Selection of cable car;
 - 2.4. Selection of artificial snow system for slopes;
 - 2.5. Lighting for skiing needs during the night;

- 2.6. Other equipment (grooming machines, ticket sales/checking, protective equipment, ski slope signs, protection from avalanches, etc.);
- 2.7. Renovation and construction of accommodation capacities;
- 2.8. Renovation and construction of municipal infrastructure;
- 2.9. New environmental protection measures;
- 2.10. Renewable energy resources;
3. Coordination of the designated location with spatial plans and protected natural areas.
4. Financial analysis of investments with constant and current prices.
5. Construction dynamics - tentative schedule.
6. Funding sources.
7. Organizational structure and management model (to be detailed in a separate study after determining the client).
8. Market analysis (tourist offerings, demands).
9. Tourist development potentials (only a recommendation for the construction of necessary tourist capacities, detailed in a separate study according to client specification).

Experts who will apply to this public call from the Ski Federation of Kosovo, along with the detailed offer, must also attach other documents such as:

- Identification documentation,
- CVs,
- as well as the offer for the work they will perform.

-This announcement will be open for 15 days, respectively the application deadline is May 2, 2023.

-Interested parties should apply with all necessary documentation to the email: info@fs-kos.com.

-The planned amount for the engagement of international experts for this project is €59,700.00 (Fifty-nine thousand seven hundred euros and zero cents).

-The Ski Federation of Kosovo will announce the notification of the winners five (5) days after the application deadline.
